ça lance le site web pour l'enregistrement

The screenshot shows the Ashampoo website's registration page for Burning Studio 2009. The header features the Ashampoo logo, a woman's portrait, and statistics: 8,768,475 registered customers and approximately 83,826,621 installations. It also shows the 'United Kingdom' region and 'EUR' currency. A navigation bar includes links for Home, Products/Shop, Support & FAQ, MyAshampoo, Service Letter, Press, and Licenses/Affiliates. The main content area is titled '(Step 1)' and requests a 'FREE full version key without time limit for the program'. The registration form is for 'Ashampoo® Burning Studio 2009 (F_vnu_gb) (English (UK£))'. It asks for an 'E-mail address', 'Zipcode' (optional), and 'Printer' (HP, optional). A 'Send' button is at the bottom of the form. Below the form, a disclaimer states: 'This two-step system makes sure that nobody else can use your e-mail address to register in your name. We know this is a little inconvenient but we believe it is worth it to prevent abuse of your personal data.' Another line says: 'Ashampoo® will not give your e-mail address to any other companies. This subscription is free and can be cancelled at any time if you no longer wish to receive it.' The footer contains a 'Privacy policy' link and copyright information: '© 1999–2009 – ashampoo GmbH & Co. KG – All rights reserved!'.
