Et si là aussi :

```
<param name="flashvars" value="file=Zoo_Granby.flv" />
<param name="movie" value="Zoo_Granby.flv" />
<embed src="flvplayer.swf" width="640" height="480" bgcolor="#FFFFFF"
type="application/x-shockwave-flash" pluginspage="
http://www.macromedia.com/go/getflashplayer&quot; flashvars="file=Zoo_Granby.flv" />
```

tu mets les url complètes ?

Bonjour Constance,
