La version pro n'est valable que pour 30 jours...

Dans le fichier d'aide il est indiqué 15 jours :

Unlike StartEd Lite, StartEd Pro is "Shareware". This means that we have made the software available to you for free evaluation. You are entitled to evaluate the software for up to 15 days without obligation to pay. After 15 days the restore and disable features will get disabled, if you decide to keep the software and reenale these features, you must register your copy.
