Gerome, comme tu peux voir, le fichier est "clean", pas de virus ni trojan, --> alors demande à avast d'aller se coucher

Citation :

Dear Sir or Madam,

Thank you for your email to Avira's virus lab.

Tracking number: INC00131217.

We received the following archive files:

File ID	Filename	Size (Byte)	Result
3793633	exeinfope0.0.1.8.F.zip	412.04 KB	OK
